This Magnificent Mustang GT is Simply a Knock-out! Fully Equipped With All Power Including 4.6L 3V OHC V-8 Engine, 5 Speed Manual Transmission, Front & Rear Performance Suspension, Retro Flat Black Features, Full Custom Two-Tone "Copia" Paint, C-Pillar Scoops, Upper & Lower Billet Aluminum Grill, GT Appearance Package, Premier Trim Package, Custom Two-Tone Leather Interior Trim, Active Anti-Theft System, Remote Keyless Entry System, 3.55 Posi Trac Rear Axle Ratio, Performance Exhaust System With Stainless Exhaust Tips, And 20" Chrome Foose Wheels. Knock-out Orange...[more](#)

Here is a loaded up 2008 Hummer H2. Black with black leather interior. It is an absolutely amazing vehicle to see. We have added tons of chrome to this vehicle (hood detail, grill, door grips & roof rack), leveling kit to raise the front end, custom wheels and tires to the vehicle, custom powder coated running boards. Otherwise this vehicle came loaded up from the factory with the navigation system and the rear entertainment system along with the air ride suspension. This unique vehicle looks awesome and really turns the heads...[more](#)

Check out this 100% CUSTOMIZED 2008 Nissan 350Z! This Rear Wheel Drive 350Z is powered by a 3.5L V6 DOHC 24V Engine which is backed by a 6-Speed Transmission. This Nissan comes with Lamborghini doors!! It has a Full Body Kit, Carbon Fiber Hood, Carbon Fiber Spoiler, Customized Rotors, Customized Rear Bumper, After-Market Air Intake, After-Market Exhaust, Customized Suspension which is NOT bumpy at all, Customized Rear Tail Lights and Customized Rims...[more](#)
