### Basswood Shutters

- Exclusively Hardwood
- Mortise and Tenon joints with screw reinforcement
- Mortise hinges add strength and durability
- Duraglide Louver Tension System
- Extra-Long heavy gauge staples that are heat-frictioned glue that is activated when the staple is injected in wood
- Engineering Design that marries durability and beauty
- 15/16" Rails gives "Drop-Rail front" to keep the panel from cracking at the joints and then-"Flush-Rail back" – which eliminates light leakage and gives additional lateral support
- Hand-sanded and inspected to ensure the highest quality
- Manufactured / fabricated in the U.S.A. by experienced craftsman "from the cutting of parts to the finish of the top coat."
- Wider panels up to 43"
- Virtually all frames built prior to top coat finish to ensure the highest quality miters.
- Environmentally sound.
